CHARLES DARWIN UNIVERSITY AUSTRALIA

Up to **30%** scholarship available

Diploma of Information Technology

The First-year Diploma Program is a two-semester course that serves as an alternative to the first year of an undergraduate degree at CDU. It's designed for students needing extra academic or English support.

Completing the Diploma of Information Technology grants direct entry into the second year of a Computer Science or Information Technology degree.

Both qualifications are accredited by the Australian Computer Society (ACS).

CDU International College

Location:	Danala - Education and Community Precinct

Accelerated International Masters Qualifying Program (MQP)

International students who have already completed three years of post-secondary school study in their home country but may require additional support with their English language skills can now transition into a Charles Darwin University masters program in one or two semesters through a combination of discipline-specific subjects with English language support.

Students will gain a deep understanding of the demands of postgraduate study and learn the processes, expectations and methods for success before their masters program begins.

Completion of a higher education program equivalent to AQF Level 6 advanced diploma or associate degrees or relevant work experience.

Accelerated Masters Qualifying Program
Duration: 4-5 months
Delivered by CDUIC

Master Degree
Delivered by CDU

CDU International College

Location: Danala - Education and Community Precinct
